

THE LAWRENTIAN

LAWRENCE COLLEGE, APPLETON, WIS.

Friday, September 21, 1928

PRESIDENT H. M. WRISTON WELCOMES FRESHMEN

Appraise Own Work--Lyman

Chicago Professor Delivers Matriculation Address

"Stand outside of yourself!" With these words of advice, Dr. R. L. Lyman, Professor of English at the University of Chicago, struck the keynote of the matriculation day address with which he greeted Lawrence students Wednesday.

Dr. Lyman stressed the idea that a "master must be the appraiser of his own work." He pointed out to the students that their education and success could be achieved only through assuming the burden themselves. A person may have instructors, but unless he builds his own mind, unless he collaborates with his teacher, he does not grow; the master does not reach his top until he has thrown off dependence and has become his own appraiser.

Successes Count

"The great mistake in appraisal is that of measuring ourselves by our weaknesses," explained Dr. Lyman, going on to bring out his idea more fully. "Men and women do not grow by their failures but by their successes." He said that in order to really appraise ourselves, we must obtain an impersonal perspective, we must "stand outside ourselves" and size up both our excellencies and weaknesses. It is largely because of the lack of the proper perspective that students fail to see the relationship of college activities.

Touching more closely upon intimate problems of the student, Dr. Lyman demonstrated the necessity for cooperation and collaboration between the professor and the student. The former thinks of himself as the "appraiser of finished products" instead of as the director of the processes by which these products are produced, and the latter thinks of himself as the receiver of knowledge instead of the worker seeking for it. He said, "The best classroom is a laboratory, a clearing house in which students are doing their own work under guidance."

Quoting from "The Vision of Sir Launfal", "Over our manhood bend the skies," Dr. Lyman advised the students to realize their possibilities and to take advantage of them. In closing he said, "Education is the organization of the power of successful behavior under self-direction—stand outside of yourself!"

"Ma" Pfeifer Is Victim Of Suicide

Mrs. Anton Pfeifer, 65, Kaukauna, commonly known to Russell Sage girls as "Ma", ended her life on Sept. 4, by shooting herself through the temple. The body was found at 5:30 o'clock a.m. on the bank of the Fox river, in the rear of the Fox River Navigation company office at Kaukauna.

Mrs. Pfeifer left a note in her room stating that she was tired of living and indicating her intention to kill herself. The note also made vague reference to some trouble, the nature of which is not known. Friends of Mrs. Pfeifer said that she had been disconsolate for some time.

She had been employed at Sage for many years.

Placement Test

Freshman English Placement test will be given Friday afternoon 3:30, Room 16. All who have not yet taken it must report at that time.

Pi Delta Epsilon Handbook Is Out

The Students' Handbook, published annually by Pi Delta Epsilon, national honorary journalism fraternity for men, was released Wednesday and has been distributed to both new and old students. The handbook serves as a campus guide and contains much interesting information.

The handbook for 1928-29, includes President Wriston's message to freshmen, an article on Lawrence spirit by Professor J. H. Griffiths, one on the city of Appleton by Professor J. B. MacHarg, and an article on traditions by Professor J. H. Farley. "Road Rules for Your College Course", by Dean Naylor, gives some interesting advice to students.

The handbook also contains information on fraternities and sororities, athletics, clubs and honorary societies as well as some of the most popular Lawrence songs and yell.

Freshman Select Breen President

Heavy Vote Polled In Temporary Class Election

President—	
Harold Breen	124
Earl Miller	116
Vice-president	
Lynn Handeyside	166
Jane Olmstead	73
Secretary	
Phoebe Nickels	142
Jeanette Jenkins	34
Treasurer	
Sheldon Dodge	144
Donald McMahon	95
Student Senate	
Walter Gilberg	145
Harold Sperka	88
Forensic Board	
John White	146
Russell Davis	90

Harold Breen, Elgin, Illinois, was elected temporary president of the freshman class at a meeting at Thursday convocation. Two hundred forty votes were cast for this office, indicating that practically the entire freshman class voted. Of these Breen was given 124 votes and Earl Miller, Appleton, took 116.

Lynn Handeyside, Appleton, was given the vice-presidency by a vote of 166 as against the 73 votes polled by Jane Olmstead, Green Bay. The class secretary is Phoebe Nickels, Green Bay, who received 142 votes. Jeanette Jenkins, Fond du Lac, the other candidate, received 34 votes.

By a majority of 49 votes Sheldon Dodge, Wausau, was elected treasurer. He received 144 votes, while Donald McMahon, Appleton, was given 95. Walter Gilberg, Wausau, will be student senate representative, having received 149 votes to the 88 cast for his opponent, Harold Sperka, Oshkosh. John White, Milwaukee, received 146 votes for representative to the forensic board, while Russell Davis, Green Bay, polled 90 votes.

Pi Delta Epsilon

There will be an important meeting of Pi Delta Epsilon, national journalistic fraternity for men, in the Lawrentian office at 1 o'clock Monday afternoon. All members of the fraternity must be present at this time, as important business is to be discussed, relative to the coming fall "Pi Delt" elections.

Members of Pi Delta Epsilon now in school are Irwin Wensink, Alois Fischl, Jack Rudolph, John Walter and Arthur Mueller. All but Rudolph are seniors.

Franklin MacDonald, '28, is spending the week at the Beta Sigma Phi house.

Rush Work On College 'Gym'

Pouring Of Concrete Expected To Start Today

By Alvin Lang

Work on the new \$300,000 Lawrence gymnasium is progressing rapidly and the Appleton construction company, general contractors for the structure, have already set the foundation forms. It was expected that the pouring of concrete would be begun today.

The Appleton construction company was awarded the general contract, which includes all the masonry and structural steel work. The contract for the plumbing and heating was awarded to Wentzel and Henoch company of Milwaukee, and all the electrical work will be installed by the Commercial electric company, another Milwaukee firm. W. Henoch of the Wentzel-Henoch Co. is the father of a former Lawrence student, Willard Henoch, '26.

The total floor space of the new gym will equal more than a half an acre, and the main floor has an area of approximately 17,000 square feet. The main floor provides room for three regulation basketball courts and several thousand bleacher seats.

The ground floor will house a large oval cinder track, a spacious swimming pool, four handball courts, two squash tennis courts and the men's and women's shower and locker rooms. The swimming pool will measure 75x30 and will be one of the finest in the entire middle west.

Book Room Schedule

The Lawrence College book room which is under the charge of Ernest Enquist, '29, will be open the following hours:

Daily 11:30-12:30.
Tuesday and Thursday 1:00-2:00.
Monday, Wednesday, and Friday, 2:30-3:00; 1:00-1:30.

College Day Will Be Held

Annual Freshman - Sophomore Scrap Set For Saturday

The annual all-college day will be held tomorrow, September 22, at Whiting field and is the time when the rivalry between sophomores and freshmen will be settled on Lawrence campus. Arthur Møller, president of the all-college club, is in charge of the arrangements.

An all day program has been planned with the afternoon devoted to the freshmen-sophomore struggles. Points will be awarded for each event and the class receiving the highest score will be permitted to paint its numerals upon the junior rock. Twenty men will be on each team for the tug-of-war as well as in the horse and rider contests. Two bag rushes will be held and a soft ball game between the girls will be the last event of the day.

From nine until twelve in the morning the students will have the opportunity to watch a football scrimmage. The senior-faculty baseball game is scheduled for 10:30 o'clock and a luncheon of sandwiches, pop, and ice-cream will be served at 12:30. A sophomore luncheon committee appointed by Hayward Biggers, sophomore class president, includes Rubie Diebert, Louise Edwards, Mary Clason, Robert Beggs, Vinton Jarrett, and Lester Jacobson.

Student Handbooks

Those desiring to secure copies of the Lawrence college student handbook for 1928-29 may do so by calling at the Lawrentian office. After the books were distributed to the freshmen at the various dormitories a number were left over, and these will be given out to upper classmen or town freshmen wishing them. There is no charge.

President

Henry M. Wriston

Appointments To Faculty Announced

Only Two Resignations Received; Several Are Added

Several new appointments to the Lawrence college faculty, and but two resignations have been announced by President Henry M. Wriston, to be effective during the present school year.

The appointment of Wallace M. Evans, former statistician and export manager for the VanDoran company of Cleveland, Ohio, to an assistant professorship in the business administration course has been announced. Evans attended the school of business administration at Harvard.

Other changes made in the teaching staff include: John Sullivan, '24, who has been teaching at Bates college, Maine, and Miss Helen B. Holton, instructors in French; Clarence Rasmussen, newly acquired football coach, and Joseph P. Trepanites, who will take George Christoph's place in the department of physical education; Miss Margaret Oldfather, new cataloguer in the college library; Rexford S. Mitchell, alumni secretary and assistant professor in public speaking; Agnes Ogilvie, in the department of zoology; and Miss Marion Worthing, library assistant.

In addition to the new appointments, Miss Ellen Tutton and Miss Edna Wiegand, former members of the faculty, will return after a year's leave of absence for extensive study. Miss Tutton studied at Oxford, England, university of Paris, and in Florence, Italy, Spain, Germany and Belgium. She will resume her position as personnel director.

Miss Wiegand will again enter the Latin department after a year at Columbia university, and G. C. Cast, German professor, has returned after a semester's leave of absence during which time he toured extensively in Germany.

Activities Cup Won By Lawrence Sorority

Alpha Iota, Lawrence college chapter of Zeta Tau Alpha sorority, was presented with an activities cup at the national convention of Zeta Tau Alpha, held at Bigwin Inn, Ontario, Canada, July 2 to 6. The trophy is awarded to the one of the fifty-five chapters showing the highest activity record for the year.

Songs in Chapel

Lawrence songs and old favorites, led by Dean Carl J. Waterman, were the feature of the Thursday convocation exercises.

Class Of 300 Enters School

Registration Ends Freshman Week Activities

By Francis Nemacheck

"You are coming into a trial world in search of wisdom—into a trial world that is new and very different from high school. College used to be made up of two communities—a community of authority and one of obedience. College today is made of one community with two societies—a society of scholars—masters in the art of learning; and a society of students, living together, apprentices in the art of learning." With these words, Dr. Henry Merritt Wriston opened freshman week with his "Address of Welcome" at convocation, Wednesday, September 12. He continued to explain how each student may attain the success that he desires.

Thus freshman week, which was brought to a close Monday with the final registration of all first year students, was begun for the third successive year at Lawrence. Although the general plan for the week was much the same as that employed in past years, a few changes were made, and the week, which has become something of an institution here, was more favorably received this year than during the past two years.

Changes Made

A tentative choice of subjects before arrival at school, and registration and payment of tuition on the first day of freshman week, were a few of the major changes made. Dr. R. C. Mullenix, dean of freshmen, reports that he found the results very satisfactory, but expects that even better results will be secured when the plans for making a tentative choice of courses has been worked out more in detail.

Convocation and registration took place Wednesday morning, while the photographing of members of the freshman class and a mixer for boys at the city Y.M.C.A. and open house for girls at Hamar house, under the auspices of Blue Key and the Y.W.C.A. respectively, comprised the program for the afternoon. In the evening, approximately 300 new students attended a reception given for them by Dr. and Mrs. Henry Merritt Wriston and Dr. and Mrs. Rollin C. Mullenix at the president's home.

Thursday morning was devoted to sectional conferences which were in charge of Miss Anna Tarr, A. C. Denny, Miss Katherine Wisner, Professor R. C. Mullenix, and Professor W. F. Raney, and convocation, at which Professor A. A. Trever brought out the fact that the students should attempt to know their instructors personally. During the afternoon, conferences on "earning one's way through college" were held under the direction of Miss Ellen Tutton and R. J. Watts, while A. C. Denny and Miss Katherine Wisner conducted conferences on athletics for students who were interested in sports. Immediately after dinner, house conferences were held in the dormitory parlors, and later in the evening a mu-

(Continued on Page 8)

Oscar Schmieg Files Papers For Reelection

Oscar J. Schmieg, ex-'24, assemblyman from Outagamie-co. district, filed his nomination papers for reelection this fall. Schmieg is one of three "boy" legislators to the Wisconsin assembly. He took his undergraduate work at Lawrence and graduated from the University of Wisconsin law school last year. He is now practicing law with the firm of Lonsdorf and Steidl in Madison.

Proclamation of the Student Senate

TO THE CLASS OF 1932

Freshmen:

Whereas you of the Class of '32 are newcomers to the campus and student body of Lawrence, and

Whereas it has been the custom and tradition for many years that the Freshmen wear, as a mark of recognition distinguishing them from the more dignified and deserving upper classmen, a badge known as "The Green", and

Whereas this freshman class, being no better than those who have gone before, owes to itself and to the college to live up to this tradition,

Therefore, the Student Senate, in august assemblage, issues the following solemn decree:

At high noon on Tuesday, September 18, the freshman class, under penalty of the most drastic punishment, will assume "The Green" and wear it faithfully until such time as the Senate deems the class worthy of discarding it.

Remember! The word of the Student Senate in this matter is final and all-powerful. Beware, you frosh, who would think to escape this obligation. The spies of the Senate are everywhere. Every minute spent on the campus or the streets of Appleton an hundred eyes may be watching you. Woe to him who seeks to evade them. The instant one of you appears minus the badge of collegiate apprenticeship the Senate will KNOW and will strike with the mailed fist of relentless authority.

The responsibility of enforcing this decree shall be in the hands of the Sophomore Class, who, as your physical, intellectual, and social superiors, will deal with violations as they have warned. The luckless yearling who violates the law will be thrown to the clutches of the blood-thirsty Sophomores who have devised the most agonizing tortures for whosoever disregards this order.

In witness thereof, in behalf of the student body of Lawrence College, we do hereby affix our hand and seal, this 18th day of September, in the fourth year of the administration of His Excellency, Henry M. Wriston, President of the college.

THE STUDENT SENATE.

Large Class Is Enrolled

Frosh Boys Outnumber Girls By About 30

The number of freshman students enrolled to date has gone well over 270 according to figures released today by Olin Mead, college registrar. This number is 15 more than last year, and is the largest class enrolled at Lawrence for several years. It is expected that this figure, which includes only the students registered in the college proper, and takes no count of the pupils registered at the conservatory, may be increased to 290 with the enrollment of new members.

This year the boys outnumber the girls by about 30, there being about 120 women, and 150 men. This is contrary to the usual trend, which usually gives the women a slight advantage as far as numbers is concerned.

At present there are some 51 students of the Appleton high school enrolled in the class of '32. College officials are pointing with pride to the fact that eight of the ten honor students who graduated from the local high school last spring, are now attending Lawrence.

Smokers, Parties On Entertainment For Fraternities

Active rushing among fraternities on the campus opened Monday with theater parties, smokers, and dinners. Beta Sigma Phi entertained on Monday with a theater party at the Elite in Appleton. Tuesday evening the rushees were given a banquet at the Valley Inn in Neenah followed by movies at the Fischer theater in Oshkosh. A smoker and bridge at the fraternity house completed the Wednesday program.

Theta Phi opened its rushing program with a smoker at the fraternity house Monday evening, followed by a dinner and theater party on Tuesday. Wednesday the guests were entertained at dinner at Morgan's Sandy Beach hotel south of Oshkosh. A dinner at the Thomas Orbison residence followed on Thursday.

A dinner and smoker at the fraternity house opened the rushing season of Sigma Phi Epsilon. On Tuesday the rushees were entertained at dinner at the Hotel Menasha in Menasha, followed by a theater party at Fischer's theater in Oshkosh. A dinner and theater party in Appleton were held Wednesday evening, and Thursday the guests were entertained at a progressive dinner.

Phi Kappa Tau entertained on Monday at a dinner and theatre party, followed by a dinner and trip to the Oshkosh fair on Tuesday. A smoker on Wednesday and a dinner and theater party at the Fischer theater in Oshkosh on Thursday were also on the rushing program.

Delta Sigma Tau held a smoker at the fraternity house followed by a theater party Monday evening. On Tuesday the rushees were entertained at a chicken dinner at the Culbertson farm near Medina. A theater party followed on Wednesday, and a steak fry at Lake Winnebago was held Thursday evening.

Psi Chi Omega entertained Monday and Tuesday at smokers and dinners at the fraternity house. On Wednesday a banquet was held at the Conway hotel, and Thursday the guests met at a smoker at the fraternity house.

Delta Iota and Phi Kappa Alpha entertained at a series of smokers, dinners and theater parties during the week.

Writes for Magazine

Professor W. L. Crow is the author of an article entitled "City Managership in Wisconsin" which will appear in the October number of the "Wisconsin Magazine."

Mrs. Fowler of Sheboygan spent a few days with her daughter, Effie, '31.

Warren Colter, '28, is spending the week at the Theta Phi house.

Back at Post

Arthur C. Denny

Coach A. C. Denny is again back at his post as Lawrence college athletic director. He will appear this year in that capacity, as well as coach of the basketball and track squads.

Denny's track and field men last spring made a sweep of the state meet to bring its second championship in three years to Lawrence. His basketball team last year was developed into a smooth working aggregation in spite of a total lack of experienced varsity material.

The director is responsible for the development of the intra-mural system at Lawrence college, which annually results in the awarding of medals to winners in a variety of sports.

History Books Wanted

Second hand copies of Cheyney's "Readings in English History" and Tickner's "Social and Industrial History of England" are wanted in the bookroom.

Large Group of Students Find Work During Summer

The length and breadth of the United States were covered by Lawrence students who sought vacations offering a sharp contrast to the winter months of school. Places in the United States that are far from Appleton as well as Europe were visited and enjoyed by the students.

Madalyn Johnsen, '31, spent the summer in Europe touring France, Switzerland, Italy, Austria, Germany, Holland, England, Scotland and Ireland, with a party of friends. Diehl Snyder, '29, and Oscar Fredriksen, '30, motored east to Washington, D. C. In direct contrast to this was the summer of Arthur Smith, '31, who worked for the Meyer Construction company and that of Robert Beggs, '31, who worked on a Pensacola, Florida, newspaper.

While a number of girls waited on tables at Epworth Heights, Franklin LeFevre, '30, David Schouler, '30, Carol MacEathron, '30, Russell Denyes, '31, Bernard Herrick, '28, Frederick Kleiber, '29, Robert Valentine, '30, Burton Behling, '28, and Harold Huelster, '29, were occupied with the various cares of porter, night watchman, store clerk, and manager at the resort. The girls who worked as waitresses included Miriam Russel, '29, Margaret Schwartz, '31, Ethel Smith, '29, and Eleanor Smith, '28, Ruth Parkinson, '29, Jeanette Jones, '28, Esther Erickson, '28, Bruce MacInnis, '29, was swimming instructor at Epworth. Harold Eads, '30, Len Henriksen, '29, and Harvey Bryan, '29, spent part of the summer at the cherry pickers camp at Star-geon Bay.

Sorority and fraternity conventions took several Lawrence delegates to distant places. Frederick Schauer, '29, and Harvey Bryan, '29, attended the Sigma Phi Epsilon conclave at Seattle and Edgar Koch, '30, attended the Phi Kappa Tau convention at West Baden, Ind. Persis Schneek, '29, and Gertrude Carbaugh, '30, went to San Diego, California for the Delta Gamma convention while Marion Jaeger, '30, and Evelyn Stedman, '30, went to Bigwin Inn, Ontario, for the convention of Zeta Tau Alpha. Lois Schilling, '31, was Lawrence delegate to the national convention of Sigma Alpha Iota, at Syracuse, New York.

The combination of pleasure and the opportunity to meet people connected with Y.M.C.A. and Y.W.C.A. work drew the following to the Geneva Conference at Lake Geneva: Leora Calkins, '30, Norma Balgie, '30, Marjorie Lockard, '29, Gladys Jensen, ex-'29, Beulah Anderson, '30, Lois Kloehn, '31, Ellen Shuart, '30, and Helen Bergman, '30.

New Librarian Added To Lawrence Staff

Miss Margaret Oldfather, daughter of Professor Oldfather of the University of Illinois, has accepted a position as cataloguer at Lawrence college library. Miss Oldfather studied abroad during the past year, and during the winter was chairman of the committee in charge of the library for the American university women's club of Vienna.

Paint Splashed Over Buildings During Summer

Lawrence college buildings received extensive improvements during the summer.

Floors in Ormsby hall were stripped and varnished, and a new sidewalk laid in front of the building. All cement floors in Brokaw and Russell Sage halls were painted, and fifteen rooms in Russell Sage redecorated.

A new practice organ was installed at the conservatory, and four studios redecorated.

Science hall was repainted and Professor W. E. Roger's laboratory enlarged. The steps at the west end

of main hall were replaced by new ones, and the Lawe-st. bridge was resurfaced.

New linoleum was laid on the floors of the reception room and one ward at the infirmary.

Vikings Open Grid Practice

Rasmussen Pointing His Men For Oshkosh Game

1928 Football Schedule

Sept. 29—O. S. T. C. at Appleton
Oct. 6—Marquette at Appleton
Oct. 13—Carleton at Northfield, Minn.
Oct. 20—Lake Forest at Appleton
Oct. 27—Beloit at Beloit
Nov. 3—Ripon at Ripon
Nov. 10—Northwestern at Appleton
Nov. 17—Carroll at Appleton — (Homecoming)

By Jack Rudolph

Less than thirty men, of which nine are veterans from last year's varsity, answered the first call for football training last week. Regular practice sessions started Monday and have been continuing throughout the week in preparation for the first game of the season against Oshkosh State Teachers' College a week from tomorrow. While this turnout is smaller than was expected, Coach Harold Rasmussen is far from pessimistic about his chances of turning out a creditable team his first year here.

The past week has been devoted to an intensive grounding in fundamentals of blocking, charging, tackling, and handling the ball. Both morning and afternoon workouts were the order of the day before classes started, with "skull" sessions in the evenings, and since Wednesday an afternoon workout and evening talk has featured the daily card. The three first games on the Viking card are no "pipes", and Rasmussen is working his men hard to get them in the best possible shape for these frays.

Miller Assists

"Razz", assisted by Paul Miller, transfer student from the University of Wisconsin, has already given his squad several plays and the men have gone through the motions of executing them. Saturday will usher in the first scrimmage, with the freshmen furnishing the opposition. Miller, who was varsity material at Madison, is ineligible for this year's varsity.

Rasmussen is well supplied with backfield men this fall, but there is a dearth of line material. Five of the lettermen are ball-carriers and they have been strengthened by several promising frosh of last year. Capt. Barfell, Gelbke, McInnis, Humphrey, and Bloomer, quarterback on the 1926 eleven, are in uniform, while Paul Fischl, Rasmussen, and Trankle loom as among the best of the new men. Of last year's linemen Schauer, center; Krohn, tackle; and Ehler and Voecks, guards, remain, with Bickel, Morton, Laird, Vedder, and several others vying for positions in the front wall. Both of last year's ends are out, leaving both wings to be "feathered". St. Mitchell is ineligible though he is out for practice, and Jessup has not returned to school. Pfefferle and Aldrich, a pair of huskies from last year's frosh squad, are unable to play this fall, and Fosson, another lineman, is ineligible.

The most drastic need facing the coaching staff at present is a punter. Jessup did all the kicking last season, and now that the big end is missing someone will have to be groomed to take his place. As yet his successor has not put in an appearance. Kittleson, who showed promise of developing into a first class center until his unfortunate accident late in the season last year, is not in uniform, leaving the pivot post to Schauer, Bickel, and Morton.

The coming week will see the team rounding into shape for the 1928 inaugural on the 29th, and the practice periods will be devoted to perfecting plays and scrimmaging against the freshmen. The Vikings face a schedule of eight games this fall, including the annual tussles with Ripon, Beloit, and Carroll, and battles with Marquette, Carleton, Northwestern of Watertown, and Lake Forest. With the exception of O. S. T. C. all these teams were met last year, and the Blues are out to avenge a few of the defeats suffered at their hands.

May Not Return

Olin Jessup

Consternation prevailed on the campus when rumors were spread about that Olin Jessup, giant end, would not appear this fall in a Viking football uniform. Jessup's plans have not been announced, but the possibility of his return was said to be remote.

"Jess" has starred for two years on the blue and white varsity at the wing position. His talents include unerring accuracy both at receiving and throwing the forward pass, and his sterling work on the defense has always stood forth as the high lights of Lawrence games.

The big blueback hit the high lights in the Marquette tussle last fall, when he scooped up a fumble and ran more than half the length of the field with the entire Marquette team in pursuit. Jessup also starred in track, heaving the weights in the field events.

Nineteen Harriers Sign For 1928 Year

Seven men from last year's cross country squad and twelve freshmen have answered Coach A. C. Denny's call for field and stream runners. Practice will begin Monday afternoon at 4:30 o'clock at Whiting field.

Captain Charles Wolf, '30, Ray Menning and Art Mueller, both '29, Frank Jesse and Ed Scheurman, both '30, are the letter men from last year's squad who are signed up again. Charles Bartsch and Franz Glanzer, both '31, have also reported.

Only three meets will be scheduled for the varsity squad this fall because of the financial condition of the athletic association, Coach Denny said.

A meet has been definitely scheduled with Lake Forest, there, for October 27. Tentative dates have been made with Carroll, here, Nov. 17, and Ripon, there, Nov. 17.

The twelve freshmen who have reported for freshman cross country are: Robert Hunt, Robert Roemer, Burton Johnson, Malcolm Jeske, Carleton Roth, Wilmer Schlafer, Tim Enright, Dick Thiessen, Paul Kozelka, Harry Stafford, Gordon Stuelke, and Charles Peerenboom.

Yearlings Turn Out For First Practice

An optimistic outlook for the coming freshman football season was prevalent in predictions made by Coach Trepanites of the Lawrence coaching staff. High schools throughout the state have furnished abundant material from which are to be molded future Lawrence stars.

Coach Trepanites is a new-comer to Lawrence but he won't remain a stranger to the student body for long. His aggressive personality will be instrumental in producing future varsity men.

The squad has been equipped with new jerseys; the remainder of their uniforms being last year's varsity equipment. This, coupled with the fact that two games are already scheduled with the Frosh team of the Oshkosh State Teachers College and the Kaukauna High School team should be an incentive to intensive work-outs.

The men turning out for the Frosh squad are as follows:

Dodge, Calhoun, Kemper, Rousch, Franzen, Froelich, Amundsen, Lawson, McDonald, McKichan, Gilbert, Holly, Lund, Mulford, Culmer, Jensen, Bloemen, Vande, Melcher, Schier, Hessler, Stroubel, McMahon, Hausman, Gebhardt, Busse, Ryan, Kunitz, Ferrish, Heck, Poole, Sperka, Babcock, Steidle, Goeres, Stuehlke, Fish, Clintman.

Johnston Named Football Manager

The appointment of Henry Johnston, '29, as varsity football manager preceded the opening grid practices of the 1928 season, and the new manager has been working at the head of his staff for the past week. Johnston assumes the position upon the failure of Oswald Gunderson, ex-'29, to return to school.

The new manager has had no previous experience in the work, but he has aided in the appointment of a managerial staff, including several freshmen, to work under him. The managers have charge of all equipment at Whiting field, and must be present at all football games and practices.

If his work has been satisfactory, the varsity manager receives an official "L" sweater at the end of the football season. He also is entitled to membership in the "L" club, and accompanies the team on all of its out of town trips.

The complete managerial staff has not as yet been announced, but it will probably include five or six men drawn from the three lower classes. Freshmen managers who have done satisfactory work are awarded with numerals, while junior and sophomore managers receive sweaters and numerals. All awards are made at the end of the playing season.

Coach Rasmussen Presents New Gridiron Philosophy

By Robert Beggs

With the coming of Coach Clarence Rasmussen to take charge of the 1928 football squad there also comes a new philosophy and a changed outlook on gridiron activities at Lawrence.

"All the world sympathizes with a good loser but the crowd is with the winners. That's the way we will look at the game here," Coach Rasmussen told the squad at its first meeting this week.

"It's easy to be a good loser. Anyone can be that without much effort. But we want a team that won't have to worry about such things," he said. "I don't want anyone to go around singing the blues because so-and-so isn't eligible or because some one else didn't come back to school. If we don't accomplish another thing this year we want a happy squad, thankful for the breaks they are getting and not repentant over something that isn't."

"Tickled to Death"

"I'm tickled to death with the prospects here. Everything is coming along fine. The squad is increasing daily. They're a fine crowd of men, all willing to work and to co-operate. That's what I want."

"The coaches don't want any man on the squad who isn't willing to play football. We aren't begging anyone to come out and play. And the way things look at present the entire squad is surely falling in line and working with us. I'd like to give 'em a hand on their co-operation."

"The success of individual players isn't going to worry me. I want to see a happy team playing smart football," he said. "I have no superstitions about wearing padding. I want all the men well protected against injuries at all times."

Is War Veteran

Coach Rasmussen spent the summer at his camp in the northern part of the state, in addition to taking a motor trip through Canada.

The new mentor has been at the Country Day, a prep school near Milwaukee, during the past eight years. He spent two years in France during the war and was coach at Wauwau-

losa high school for two years after the war. While at Country Day, Coach Rasmussen developed such grid stars as Fred Miller, captain and tackle of Notre Dame and Tom Taylor, star Yale half-back.

Fourteen Vikings Win Track Awards

Fourteen Viking track men won their varsity letters on the state championship team last year, while numerals were earned by eight freshmen tracksters. In addition to winning a state championship, the varsity team made more points in the midwest than have ever been made in the history of Lawrence college. The varsity awards will be granted in the near future to co-captains Don and Doug Hyde, Howard Pope, Ross Cannon, Arthur Humphrey, Charles Wolf, Ray Menning, Robert Rasmussen, Ray Brunsat, Elmer Ott, Al Krohn, Charles Scott, Frank Jesse, De Goy Ellis, and Victor Weinkauff, manager.

The freshman awards will be given to Norbert Pfefferle, Dan Steinberg, Granny Calhoun, Charles Barnes, Charles Bartsch, F. Glanzer, Chuck Vedder, Paul Fischl, and J. Benton, R. Baxter, R. Clark, and H. Armstrong, managers.

Play In Tennis Tourney To Open

The men's all-campus singles tennis tournament entry list will be closed this afternoon at 4:30 o'clock, Coach A. D. Power has announced. It is expected that more than 30 men will be entered.

Play for first rounds will begin Monday. First round games must be completed by Wednesday. All uncompleted matches will be scratched.

EDGAR KOCH Assistant Business Manager

THE FIRST ISSUE

As the first issue of the Lawrentian finds its way into the hands of the students, registration has been completed, rushing is nearly over, classes have begun, and in general the college has settled down to another year of work and play.

A policy for the Lawrentian to take during the 1928-29 year is being formulated. The changes in those viewpoints which served the staff in previous years will be slight, and changes in the management will be even more slight.

For the upper classmen, an old story is again being told; for the freshmen, every day is filled with surprises and learning. The 1928-29 year has seen its inaugural.

THE FIRST TEXT

For the first time, perhaps, in its history, the Lawrentian editorial column is carrying a biblical quotation. Perhaps it also will be the last time in the history of the paper, and so it is called to the attention of the class of 1932. The quotation is this:

"I am a stranger among you; hide not thy commandments from me."

St. Paul never matriculated at Lawrence college, but his words contain wisdom for the incoming group of freshmen, whose green caps and green armbands have already made them conspicuous figures upon the Appleton campus.

The freshman who comes to school prepared to assimilate the learning which is ready for him, and ready to obey the rules of the college without too soon questioning their advisability, has already gone a long way toward making his presence desirable to those about him. Members of the class of 1932 need not expect to run the college within their first semester at Lawrence; they must break slowly and properly into the activities and life of this institution.

First impressions are important; the class of '32 must make sure that theirs is a good one. Lawrence college is more than willing to be used as a stepping stone to eventual success, but those who desire the spoils of intellectual victory must win them on their own merits.

THE NEW COACH

With the start of another year of school the thud of pigskin on shoe leather and the smack of canvas against canvas is heard as football takes its bow on the stage of sports. Lawrence intends to have its team this year—more than that, the college intends to have a good one. Last year's miserable showing must not be duplicated.

The danger lies in the expectation. The merits of the new coach have not been underestimated, but students who have made football fans of themselves must remember that his position is a difficult one. It is no sinecure to acquaint himself with a mass of material with which he is not acquainted, and to formulate ideas of ability from the reputations which players enjoyed in previous years.

Lawrence college must bear with its coach. The call for men in uniform must be answered. Forty-four men are practicing at Carroll, and both Ripon and Beloit have more than half a hundred in suits. The dismal showings made against several conference schools last year must not be repeated, and Lawrence men must rally to see that it is not repeated.

NEVER MIND THE SWEATERS, FROSH

Among the many traditions which are followed as custom upon the Lawrence campus, there is one which the freshmen must usually be warned against. This is the habit of wearing high school letters and pins which were received from service in pre-collegiate activities.

If the incoming student is a star in athletics, forensics, dramatics, or journalism, he will have ample opportunity to prove it during his four years at Lawrence college. It has always been considered poor taste to wear high school letters on the campus, and the "L" club issues its annual request that such a procedure be not adopted.

And another thing—the freshmen were a little too boisterous for down town merchants during the course of their "pep" demonstration, and as a result one proprietor threatens to withdraw his much appreciated support from the college newspaper. The Lawrentian regrets the procedure, naturally enough, and the college does likewise. The frosh should confine their attentions more closely to noise making than to disturbances of any other nature.

The Hosiery Shop
Welcomes
"The Lawrence Coeds"

112 N. Oneida St.

Now that everybody's here, let's start to make whoopee for Lawrence.

There may be more hymns that hers in chapel but every man will have a chance. The line forms at the right.

Speaking of chapel reminds us of the frosh who said: "Where did the faculty buy those nice black bathrobes—I wanna be collegiate too."

The automobile will never entirely replace the horse. You can't make glue out of an automobile.

Yes, Frosh, You'll like Appleton, rushing, dating, walking, riding, pledging, being initiated and etc. But three things will mar your pleasure: Rain, snow, and classes.

Problem: How to make an upper-classman into a Freshman.

Answer: Give a dance for Freshmen only.

"Button Frosh."

"Huh, I didn't know my shirt was open."

It doesn't pay to see America first. The cigarette billboards are the same in every state.

In college when you sit up with a baby it's either a blonde or a brunette.

After college when you sit up with a baby it has colic or it hasn't.

"Have you seen that good looking frosh woman?"

"Speak plurally, my son, speak plurally."

Advance Advice

It's unhealthy to lick the gummed side of a stamp and it's ridiculous to lick the other side. So that's a good excuse for not sending home your exam grades.

The way to make your pants last is to make the coat and vest first.

The first man who got wrecked on the high seas was a first tenor in a college glee club.

We heard some good jokes from traveling salesmen this summer. "They are our weakness now", but we can't print them here.

So back we go, to our education: Prof.—What did Paul Revere say after making his famous ride? Stude—Whoa! Ham.

By The Senior Class

Inasmuch as the class of 1929 has distinguished itself in the field of athletics and physical excellence as well as in the field of intellectual and spiritual accomplishment, it is only natural that this class should consider itself the superior in brawn to the faculty of Lawrence college. It is the opinion of the class of 1929 that the faculty, while made up of men worthy in every respect of the honor paid them, nevertheless consists of a large group of elderly gentlemen whose athletic accomplishments had better be left unsaid.

The class of 1929 therefore issues an official challenge to the faculty of Lawrence college to meet a representative team of the aforementioned class on the baseball field at 10:30 o'clock Saturday morning, as a part of the all-college day exercises.

In delivering this challenge, the seniors realize that they are attempting to scale the heights of condescension in so much as expressing their willingness to play the college fathers. Their attainments along lines of athletic achievement are so superior that they smile blithely at any efforts on the part of the faculty to curb them. Nevertheless, a senior-faculty game has been an established tradition at Lawrence college, and the seniors are willing to unbend to a sufficient degree to prevent the tradition from being lost.

The game, it is assumed, will be played before the assembled student body of the college, so that all may witness the degradation and futility of effort of the group which during the coming year will bend their heads to the collegiate books of learning. The faculty is seldom humiliated—but one such humiliation is to be delivered by the senior class!

Respectfully, none the less,
The Class of 1929.

Dorothy Churchill, ex '31, of Chicago, Ill., is spending the week with Phi Mu sisters.

Lawrentian Tryouts To Be Held Tuesday

Meeting Of All Eligible Freshmen Set For Next Week

A meeting of all those who plan to try out for the Lawrentian editorial staff will be held at the office of the college newspaper next Tuesday evening at 8:30 o'clock, the editor announces. All potential newspaper men and women must be in the office at that time.

The regular meeting of the Lawrentian staff, open both to new members and to those who are trying out for positions, will be held the following Thursday at 8 o'clock. Work for the coming school year will be discussed at this time, and all absences should be excused.

A large group of men and women signed up for reportorial work at a meeting held during freshman week, and these will be given definite assignments at Tuesday's meeting. There is a particular dearth of sports writers, both men and women, and any freshman who has had high school experience along this line would do well to try out for sports writing.

Conflict between Lawrentian and Ariel work is not probable, the freshmen were told at last Friday's meeting, so that prospective journalists may try out for both without fear of the activity taking up too much of their time.

Outstanding work on the Lawrence campus along journalistic lines is honored by election to Pi Delta Epsilon or Theta Sigma Phi, men's and women's fraternities. Two years of service on the staff of either the Lawrentian or Ariel is a requisite for election, and a high standard of scholarship must also be maintained.

Soph Posters Scream Warning To Freshmen

A warning, in support of the student senate proclamation, was issued early this week by individual members of the sophomore class, who spread their posters over several acres of sidewalk space in the vicinity of the freshman dormitories. The sophs used little originality in delivering their thrust, merely copying the warning of the two previous years, which was drawn up under the class of 1929 when Harry Lowry, ex '29, was president.

The frosh were threatened with dire punishment if "that distinguishing mark of wearing apparel known as the green" was not assumed immediately. The yearlings responded by appearing on the campus in a burst of verdant green, worn on heads and arms as a mark of the class of 1932.

Alumnae Pushing Drive For Larger Membership

The Lawrence college girls' club of Milwaukee, an alumnae organization, is conducting a drive for members this week, which began on Monday and will end on Saturday. At a recent meeting of the membership committee, plans for the year's activity were outlined.

The drive will be under the direction of Mrs. Merritt Mitchell, Mrs. Francis Rosecrance, Mrs. Curtis Boyce, Mrs. Walter McCrory, Miss Gerda Wittman and Miss Frances Emerson.

Hostesses for the new season are

Report Early Elections To Honorary Fraternities

Within the next two or three weeks, several of Lawrence's eleven honorary fraternities will begin to announce the results of their fall elections, and many upper classmen will receive gold keys in recognition of meritorious service along a variety of lines. The fraternities, some of which have been established on the Lawrence campus for many years, will include both men and women in their membership.

Among the most prominent of the organizations are the two leadership groups, Mace for men and Mortar Board for women. The Mace has been rewarding campus leaders for nearly twenty years, while Mortar Board has been established on the campus for nearly as long a time.

Phi Beta Kappa, national scholastic fraternity, recognizes abilities along intellectual lines for both men and women. Although other qualities are always taken into consideration, scholarship is the keynote characteristic of those who wear the golden "Phi Beta" key. Phi Beta Kappa will probably elect new members early in the first semester.

Two journalistic fraternities are Pi Delta Epsilon and Theta Sigma Phi. Both are national in scope, the former recognizing achievement in men and the latter being organized for women. Many campus activities are handled by these two organizations, and the annual Theta Sigma Phi publication, "Ships" has already come to be recognized as a campus tradition.

Tau Kappa Alpha recognizes those

who achieve marked distinction in the field of forensics. Many famous speakers who have represented Lawrence college have worn the national "TKA" key, and their memory will be continued with the completion of the 1928-29 elections.

One of the newest of national chapters here is that of National Collegiate players, which is an honor given to those who accomplish much along dramatic lines. The fraternity is purely honorary, and is open to both men and women. There are at present but two members of National Collegiate players on the Lawrence campus.

Blue Key is a men's service club with a national backing, which meets twice a month to discuss matters of campus interest. Several worthwhile activities were taken care of by the organization last year, which was the first full year of its establishment here. Homecoming was handled as a major project, and a number of minor events were run off under Blue Key auspices.

Delta Chi Theta honors the chemistry student, and encourages study in this field. Those who attain distinction in the field of languages are eligible to election to Phi Sigma Iota, national honorary romance language fraternity. Both men and women may be initiated into Phi Sigma Iota.

Pi Gamma Mu is a national honorary social science fraternity which honors by election, annually, those who have proven themselves active in the social science field.

Final Alumnus For 1927-28 Year Is Off Press Late In June

"The Major Premise", a plea for world peace made at commencement by President H. M. Wriston, is the feature article of the June, 1928, Lawrence Alumnus, which came off the press shortly after the close of school last spring. The forceful address given by the Lawrence president is followed by a series of cuts depicting the breaking of ground for the new gymnasium by Lewis Alexander.

The regular commencement program is reprinted, followed by the president's review of the past year for the board of trustees. A viewpoint of Lawrence college in the fifties is given by Edward P. Humphrey, '85, who recalls the old days of "Lawrence Institute", when J. A. Kimberly, noted paper manufacturer, was enrolled in the preparatory academy.

Faculty appointments and placements of seniors, as well as general news of the alumni, fill the remaining pages of the magazine, which was edited by Dan Hardt, '26. The editorials deal with commencement, its joys and its meaning; the relation of the older generation to the younger; proving a wider field for Lawrence alumni; and a memorial to honor President Plantz.

Lawrence athletics are always interesting to the graduates, and so several pages are devoted to a review of the interfraternity supremacy race, the track season, and the awarding of the Fischer honor medal.

Mrs. Chris Isley, who will entertain for the October meeting; Miss Pauline McMartin, November meetings; Mrs. L. I. Brown, February; Mrs. A. C. Chase, March; and Miss Helen McChesney, May.

Hyde Twins To Work In Milwaukee and Chicago

Douglas Hyde, '28, who starred with his twin brother Donald, on the 1928 championship Viking track squad, has accepted a position with the Menasha Printing and Carton company, Wrigley building, Chicago. Donald Hyde is working for the Milwaukee Railway and Light company, at Milwaukee.

The famous twins earned their letters for the fourth consecutive year last spring when they led their team to victory in the state meet. In addition to his track activities, Doug Hyde was treasurer of the all-college club and a member of Pi Gamma Mu, national honorary social science fraternity. Don Hyde was also a member of Pi Gamma Mu, and both were members of Mace and Beta Sigma Phi.

George LaBorde, Sigma Chi of Madison, and Oliver Seybold, of the same chapter, both ex '28, visited at the Beta Sigma Phi house this week.

Expect To Set Date For Sunset Tryouts

Dramatic Group May Select 14 New Members

A definite date for tryouts of the Sunset players, college dramatic organization, is to be set within the near future. Although no announcement concerning the number of new members who will be taken into the group has been made, it is expected that the tryouts will admit at least 14 to membership.

Last year 96 men and women tried out for admission into the dramatic organization, and of this total 12 were accepted. The total Sunset roll is limited to 45, most of whom are upper classmen, and this group plans to handle the production of at least three full length plays during the coming school year.

Eleanore Lea, '30, Elgin, Ill., who has starred in former college successes, is president of the Sunset players this year and will be in charge of lining up the tryouts. A committee of six, as last year, will probably comprise the judging group.

Last year 30 prospective Sunset members were selected as possible dramatic timber at the preliminary tryouts, held early in the year. The final tryouts saw this total whittled down to 12, who were finally initiated into club membership.

The plays which Sunset staged during the past year were "The Romantic Age", a romantic comedy; "Twelfth Night", a Shakesperian spectacle; and "Her Husband's Wife", a comedy. Many of the stars of these productions have returned this year.

Former Grid Leader To Coach at Kaukauna

Placement of another Lawrence student was completed when Elmer Ott, '28, accepted a position on the coaching staff at Kaukauna high school, and started chasing the football eleven of that institution through its early season paces. A game has already been scheduled between the Kaukauna team and the Lawrence frosh eleven.

Ott captained the 1927 Viking varsity, and was also a member of the basketball and track squads. He was active in dramatics on the campus, being a member of National Collegiate players, and starred as Sir Toby Belch in "Twelfth Night". His work on the debate squad was recognized by his election to Tau Kappa Alpha, and he was also a member of Mace, which is considered the highest honor that can come to a Lawrence man. Ott was affiliated with Delta Iota fraternity.

Date Soon To Be Set For Blue Key Meeting

There will be no meetings of Blue Key, campus service club, until the conclusion of freshman week. Within the next two weeks the first Blue Key meeting will be called, and following the fraternity seniority plan adopted last year, it will probably be held at the Theta Phi house.

The president of Blue Key is Arthur Mueller. The first project to be handled by the organization will probably be homecoming, which Blue Key and Pan-Hellenic took charge of last year. The service group will hold an election at the first meeting in October, as prescribed by its constitution.

Margaret Joslyn Hurt In Automobile Accident

Margaret Joslyn, ex '30, is in the St. Agnes hospital, Fond du Lac, with an injured shoulder as the result of an automobile accident south of Van Dyne last Wednesday. Miss Joslyn was on her way to Madison, where she planned to enter the state university this fall, and she incurred her injury when the car in which she was riding with her father and mother was crowded off the road by a passing truck.

While at Lawrence Miss Joslyn was a member of Rho Beta Phi, women's fraternity, and Theta Sigma Phi, national honorary journalistic fraternity for women. She was special feature writer for the Lawrentian during her two years here.

Lawrence Faculty Members Scatter For Summer Work

For the Lawrence faculty the call of Europe has superseded all other things. Those who vacationed abroad have returned with enthusiasm enough to last until next summer and a desire to see Europe again.

Dr. Louis C. Baker and Chester Heule, both of the French department, took an extensive trip of five thousand miles through Europe. The theaters of Paris, the Bavarian Alps, the Mozart festival at Munich, the Schubert centenary at Vienna, the Danube and Constantinople are among the places they visited. They attended a congress of educators at Roumania and made the return trip to France through the southern part of Europe, several of the trips being made by boat. At Paris they met Dr. Peabody and with him toured Brittany.

Miss Elise Bohstedt included Germany, Switzerland, Austria and France in her trip, touring with a group of college and high school teachers of Germany. Miss Dorothy Waples divided her summer between Italy, Switzerland, Belgium and England, seeing the places of interest usually viewed by tourists. Ellen Tutton, the good will representative, has returned after spending the winter studying in France. Professor and Mrs. Hugh McConagha spent their honeymoon in the Rhine valley and Paris.

Faculty Teaches

The everlasting fascination of school was made apparent by the large number of faculty members who were at summer school sessions. Those who attended in the capacity of teachers were: Dr. Albert Trever and Professor Otto P. Fairfield, who were at the University of Southern California; Professor Richard B. Thiel, who gave two courses in education at the University of Wisconsin; Dr. Marcus Bober who taught at the Harvard summer school; and Professor Albert Franzke who taught at the University of Washington. Professor Cornelius Janzen taught economics at Allegheny college at Meadville, Pennsylvania, and Professor William Raney taught French at the summer session of Washington state college.

Miss Charlotte Lorenz again attended the Middlebury Spanish school at Middlebury, Vermont. Miss Ruth Norton studied at the University of California, while John Millis and Mr. Norman Knutzen were at the University of Chicago. John Sullivan spent part of his summer at the University of Wisconsin.

Dr. Henry M. Wriston spent part of his summer resting in the east at North Weymouth. He also spent a

few days at the Institute of Politics at Williamstown, Mass., and after a few days at Springfield returned to Wisconsin to visit Dr. Reeve at Ephraim. Dr. Wilson S. Naylor was at Epworth Heights, Ludington, Michigan, while Dr. Rollin C. Mullenix was occupied with the correspondence of prospective students for the greater part of the summer. Miss Marguerite Woodworth went east for the summer, spending some time at her home in Buffalo, New York.

Miss Dorothy Bethurum went east to New Haven and New York. Miss Anna Tarr took a short trip into Canada, and Dr. J. R. Denyes gave a series of lectures at the summer school of theology at Des Moines, Iowa. Dr. John B. MacHarg, besides getting married, lectured on visual education. Dr. Arthur Weston spent a quiet vacation at his cottage at Egg Harbor, while Dr. Louis Youtz was near Three Lakes, Wisconsin, for the greater part of the summer. Dr. Rufus Bagg was at his cottage at Ephraim. Professor Clippinger toured northern Wisconsin interviewing prospective Lawrence students, and Dr. William McPheeters took an auto trip to Indiana. Professor James Mursell spent the summer in the White Mountains.

Grid Mentor

Clarence Rasmussen

Coach Rasmussen starts his first year at Lawrence college with a stiff schedule of eight games against all the regular Viking opponents. He comes to Appleton after making a splendid record at Milwaukee Country Day school, and he has already spent a week breaking the Lawrence gridmen into his methods.

Sororities Open Active Rushing Season Tuesday

By Doris Gates

Studio, motor, slumming, and pirate parties of all descriptions opened the active rushing season among sororities on Tuesday.

Red handkerchiefs for napkins, balloons, and beer-bottle candles gave a Bowery effect to the first party of Alpha Gamma Phi held at the Appleton Women's Club. A Bohemian studio party at the lake home of Mrs. O. P. Schlafer opened the rushing season of Alpha Delta Pi. Fortunes were told, and chocolate cigarettes and balloons were given as favors. Beta Phi Alpha entertained at a Nonsense Musicale at the home of Mrs. C. O. Davis. Miniature musical instruments were given to the guests.

Delta Gamma gave small tennis racquets as favors at a motor party to the Butte des Morts Appleton country club. A dinner party at the Northern hotel opened the season for Kappa Alpha Theta. A balloon idea was carried out throughout the party. Kappa Delta entertained at a slumming party at the sorority rooms on E. Lawrence-st. Food was served at a sailor's bar, and balloons were given as favors. Phi Mu held a studio stomp at the Conway hotel for its first party. Small palettes with colored candles for paints were given to the rushees. Stein's in Oshkosh was the scene of a luncheon party given by Zeta Tau Alpha. The guests were taken on a sight seeing tour of the city.

The Wednesday function of Alpha Gamma Phi was a bridge-tea at the home of Mrs. M. T. Ray, Alton street. Pink roses were given to the guests.

Alpha Delta Pi entertained on Wednesday at a bridge tea-dance at the Riverview country club. Favors were novelty bridge pencils. A deep sea party was given by Beta Alpha at the home of Mrs. Peter Traas, N. Union-st. Rushees were presented with small treasure chests.

Delta Gamma entertained at a pirate progressive dinner, where treasure chests were given as favors. A tea-in-transit was the Wednesday party of Kappa Alpha Theta. Kappa Delta held a tea-dance in the French room of the Conway hotel. Music was furnished by Hank Johnson's orchestra. A motorcade party to Kaaps' in Green Bay was given by Phi Mu. Guests were presented toy busses. Small grass baskets were given as favors to the guests at the Zeta Tau Alpha Indiana pow-wow.

A treasure hunt at Brighton Beach was the party given on Thursday by Alpha Gamma Phi. Favors were toy boats. Alpha Delta Pi entertained at an Adelphian party at the home of Miss Ruth Saecker, N. Union-st. George Nixon presented a musical program, a ventriloquist performed, and old-fashioned lady novelties were given to the guests. Beta Phi Alpha held a rainbow dinner in the crystal room of the Conway hotel. Vari-colored handkerchiefs were given to the rushees as favors. A tea dance in the French room of the Conway hotel was given by members of Delta Gamma. Kappa Alpha Theta held a plantation dinner at the Fox River home of Mrs. Charles Boyd. The opening of the Diamond Mines night club took place at the Thursday function of Kappa Delta at the home of Lucille Smith, '27, Combined Locks. Rubber daggers were given as favors at the Phi Mu pirate party held in the parish hall of the Episcopal church. Bal-

Seniors Find Work Since Graduation

Twenty-five Placed by Dr. Rollin C. Mullenix

Twenty-five Lawrentians, the majority of whom graduated last spring, have been placed in positions of responsibility since commencement day, June 11, 1928, according to word given out today by Dr. Rollin C. Mullenix. This number is in addition to the large group placed prior to the close of the 1927-28 academic year.

These Lawrentians for the most part go into three fields; teaching, business, and journalism. Evelyn Bauman has been located at L'Anse,

loons and noise-makers were presented at the Zeta Tau Alpha cabaret party held at the home of Eleanor Smith, Eldorado-ave.

Mich., Charlotte Bard at Calfax, Florence Bennett at Noonan, N. D., Marielle Edens at Blair, Mildred Evans at Clifton, Ariz., Lorene Fredrikson in the Outagamie county public schools, Donald Gebhardt at Saginaw, Mich., Elsa Grimmer at Edger-ton, Anna May Halgrin at Lancaster, Eudora Koonz at Norway, Mich., Verrel Knaup at Bardstone, Ky., Edith Lees at Hancock, Mich., Louise Lutz at Amherst, Mildred Melchert at Edgar, Lilah Moore at Gaines, Mich., Mildred Pohley at the Banta Press, Menasha, George Schlagenhauf at St. Croix Falls, Gordon Schiffer at Freedom, Jean Schubert at Champion, Mich., Sylvia Solinger at Viroqua, Charlotte Waterman at Hart, Mich., Lorna Young at Tripoli, Robert C. Alexander at Appleton, Helen Henbest at Wisconsin Rapids, and Karl Volbrecht at Janesville.

The placement work, during the absence of Professor R. B. Thiel this past summer, was in the hands of Professor R. C. Mullenix.

Teas Open Sorority Rushing Period

Rushing week among the sororities on the campus opened with teas held Monday afternoon from two-thirty to five-thirty.

Alpha Gamma Phi entertained at the home of Mrs. L. M. Stenger, 329 N. Union-st. Mrs. R. A. Raschig poured and Mary Dunbar and Helen Kneebone, both '29, received.

The home of Mrs. A. B. Fisher, 416 E. Washington-st., was the scene of the opening tea of Alpha Delta Pi. Mrs. John Badenock, '26, served, and Helen Jones, '30, and Doris Gates, '29, were in the receiving line.

Beta Phi Alpha held its tea at the home of Mrs. Peter Traas, 128 N. Union-st. The guests were received by Sophia Haase, '29, and Helen Zeigler, '30, and Mrs. Traas poured.

Mrs. G. E. Buchanan, 1095 E. College-ave., was hostess at a tea given by Delta Gamma. Weltha Brown, '29, and Gertrude Carbaugh, '30, received the guests.

Kappa Alpha Theta entertained at the home of Mrs. Roy Purdy, 115 N. Green Bay-st. Mrs. J. Marston, Mrs. E. H. Pratt, and Mrs. George Banta received.

The opening tea of Kappa Delta was held at the home of Mrs. A. E. Reector, 105 S. Meade-st. Helen Upham, '29, and Louise Edwards, '31, received, and Lucille Smith, '26, and Mary Kanouse, '25, poured.

Phi Mu held its rushing tea at the home of Mrs. G. W. Jones, 229 Park-ave. Guests were received by Mrs. Dan Hardt, '29, and Charlotte Marble, '31. Mrs. O. P. Fairfield served tea.

Miriam Russell, '29, and Alice Norcross, '30, received at the Zeta Tau Alpha tea given at the home of Mrs. R. J. Watts, 742 E. John-st. Miss Florence Hamilton assisted by Ruby Brown, '29, poured tea.

Announce Many Summer Marriages

Alpha Delta Pi announces the marriage of Helen Mills, '23, to Clayton H. Chapman, ex-'20, West DePere, at the home of Dr. and Mrs. N. P. Mills, 127 E. Lawrence-st. on Saturday, June 23.

Joan Mills, '26, sister of the bride, and Roy Salter, Milwaukee, were attendants. Mr. and Mrs. Chapman will live at 7516 Colfax-ave., Chicago, where Chapman is secretary of the United Facker's, incorporated.

Miss Emily Greunke, '26, daughter of Mr. and Mrs. Charles Greunke, 709 N. Morrison-st. and Wm. J. Bridenbagen, Jr., son of Wm. Bridenbagen, Sr., Sturgeon Bay, were married September 3 at the parsonage of St. Therese church. The Reverend M. A. Hauch performed the ceremony.

Madge Helmer, '29, daughter of Mr. and Mrs. Max C. Helmer of Iron River, Mich., and LaVahn Maesch, son of Mr. and Mrs. C. E. Maesch, 108 E. Atlantic-st., were married July 5 at the Helmer home in Iron River. The wedding service was read by the Reverend Charles Coon of Ashland.

Mrs. Maesch was a student at the Lawrence conservatory and a member of Kappa Alpha Theta and Mu Phi Epsilon sororities. Maesch is a member of the Lawrence conservatory faculty, and of Delta Iota.

The marriage of Alice Aldrich, '29, daughter of Dr. and Mrs. A. A. Aldrich, Houghton, Mich., and Dan A. Hardt, son of Mrs. William Hardt, Neenah, took place at the home of the bride, Sept. 1.

The couple was attended by Miss Grace Richards, ex-'29, Houghton, and Willard Hennoch, '27, of Milwaukee.

Mrs. Hardt, who is a senior, will continue her work at Lawrence college. She is a member of Phi Mu sorority. Hardt, formerly head of the Lawrence college news service and assistant to President Wriston, is now employed in the sales and advertising department of the Neenah Paper company. He is a member of Delta Iota fraternity.

The marriage of Choro Thurman, '26, to Dr. Charles F. Marsh, '25, took place in Milwaukee on September 8,

the Rev. C. L. Milton officiating. Mrs. Marsh is a member of Kappa Delta sorority, and during the past two years she has held a position in the French department of the Wausau high school. Marsh is a member of Beta Sigma Phi, having received the degree of Ph.D. at the university of Illinois in June.

Dr. and Mrs. Marsh will make their home in Washington, D.C. where Dr. Marsh holds a position in the department of economics at American University.

Alpha Delta Pi announces the marriage of Joan Mills to James Bray, '24, Appleton. The marriage took place in July, the Rev. Richard Evans officiating. Bray is employed by the Kohler Co. at Kohler.

Phi Kappa Alpha announces the marriage of Roger Ashman, ex-'29, to Miss Gertrude Thompson at Miami, Fla., on May 22.

Dr. Auld is an interne at Wesley Memorial Hospital, Chicago, and while at Lawrence was a member of Beta Sigma Phi.

Phi Kappa Alpha announces the marriage of Henrietta McDermott, Kenosha, and Edward Kotal, Chicago, on August 25, in Kenosha. Kotal, a prominent Lawrence student, was graduated with the class of '26, and is employed by the Kimberly Clark Co. of Kimberly. The couple is living in Appleton.

Delta Iota announces the marriage of Clifford Courtney, ex-'29, to Miss Elizabeth Kirkland, in Miami, Fla., on April 14. Both will resume their work at the University there this fall.

The marriage of Professor James White, instructor in business administration, to Miss Alice Brown, took place in Waukesha on June 14. John S. Mills, professor of physics and mathematics, was best man.

A reception was held in the parish hall of the church after which a bridal supper was given. Mr. and Mrs. White then went to the home of the groom at Wilmington, N. C.

Kappa Delta announces the marriage of Dorothy Rohrer, Clintonville, to Dr. Irving Auld, Duluth, on Sept. 12 in Clintonville. Ralph Mullenix was an attendant.

Kappa Alpha Theta announces the marriage of Elizabeth Ryall, ex-'29, to Donald Purdy, a member of Sigma Phi Epsilon, on September 1 in Escanaba, Michigan.

Mr. and Mrs. Purdy left on a motor trip to Montreal and Quebec and will return by way of New York to Appleton where they will live at 122 N. Rankin-st. Purdy was graduated from the University of Michigan in 1924 and is now associated with the Tuttle Press.

The marriage of Helen Dodge, '27, Kappa Alpha Theta, and Robert Pugh, ex-'28, Beta Sigma Phi, took place in Wausau on September 8. Edith Smith, '27, was the maid of honor, and Arthur Hansen, '27, was an usher. A reception at the Wausau Country club followed the ceremony.

Mr. and Mrs. Pugh will live in Milwaukee, where he is employed. A large number of Lawrence students were present.

Kappa Alpha Theta announces the marriage of Lucille Purdy, ex-'28, and Ralph Adams, Ellwood City, Penn., on July 18 at the home of Dr. and Mrs. R. H. Purdy, Green Bay-st.

Mr. and Mrs. Adams are living in Pittsburgh, Pennsylvania.

Alpha Delta Pi announces the marriage of Rosamond Sprowls, ex-'30, to James Mickels, in Evanston, Ill., in July.

The marriage of Ethel Swanson and Reverend Russell Peterson took place in Newberry, Michigan on July 15.

Mrs. Peterson was graduated from the conservatory. The couple will live in Newberry.

The marriage of Jean Jamison, '25, and Dr. Louis Boettiger, professor of sociology, took place at Neenah on June 12, the Rev. D. C. Jones officiating. A wedding breakfast was served after the ceremony.

Mrs. Boettiger is a member of Kappa Delta and has been a teacher in the Appleton high school.

The announcement is made of the marriage of Dr. John B. MacHarg, professor of history, and Allee Lee Fleniken at Shreveport, Louisiana, the home of the bride, on June 22. Mrs. MacHarg was formerly a high school teacher in that city.

After a lecture tour in Minneapolis, Dr. and Mrs. MacHarg left for their summer home, Columbine Cottage, in Denver, Colorado.

Miss Ada May Young, former cataloguer at the college library, was married to Graydon Regenos, September 8, at Galesburg, Ill. They will make their home at New Orleans where Regenos teaches in the Tulane university.

Miss Charlotte Williams, formerly desk librarian in the college library was married to Hugo Felzer at Gary, Indiana, on July 2. Mr. and Mrs. Felzer will live in Fond du Lac.

Matron Is Ill

Miss Jessie King, matron at Ormsby hall, has been seriously ill at Saint Elizabeth's hospital. She is improving slowly. Mrs. M. J. Sandborn of Appleton is serving as substitute matron.

Acting Pastor

Dr. J. R. Denyes is now acting pastor for the Memorial Presbyterian church. Dr. V. B. Scott, the former pastor, has accepted a professorship at Missouri Valley college, Marshall, Missouri.

Conservatory Adds Two Faculty Members

Instructors In Voice and Organ Are New This Year

Two new instructors, Miss Gertrude Farrell and William C. Webb, have been added to the faculty of the Lawrence conservatory, and will instruct in voice and organ respectively.

Miss Farrell was formerly a member of the faculty of the Cosmopolitan school of music and soloist in the first Presbyterian church, Chicago. She has studied with many famous vocal teachers, including Richard Hageman, Lucille Stevenson and Gordon Campbell. Miss Farrell will be the soloist at the First Methodist church of Appleton.

Webb is from London, England, and is a graduate of the Guild Hall school of music there. He has studied in association with several noted English musicians and organists. In addition to his instruction in organ, he will be organist at the Methodist church.

Lloyd Mills, '28, spent last weekend at the Theta Phi house.

Lawrentian Resumes Schedule; Plan New Circulation System

The Lawrentian is resuming its regular schedule, as followed last year, in publishing on every Tuesday and Friday. The second edition of the bi-weekly paper will come off the press shortly before noon next Tuesday, and the schedule will be followed from then on.

The appointment of a circulation manager by Irwin Wensink, business manager, will be made within a few days, and a new system of distribution will be in effect. Dormitories and fraternity houses will receive the papers, and all professors will find the Lawrentian delivered to their offices in Main hall, the observatory, science hall, gymnasium and library. Students living in town, or who have no other way of securing their copies of the paper, may receive them by calling at the Lawrentian office shortly after 11:30 o'clock on Tuesdays and Fridays.

Race For Greek Sport Trophies Starts Soon

No definite announcement of plans for the annual intra-mural sports race has been made from the office of the athletic director as yet, but it is expected that a very few weeks will see the fraternity race again swinging into action.

Volleyball, always an unknown element in the sports competition, will probably be the first event on the Greek card, and the first points of the year will go to the high teams in the volleyball league. The other major sports, which follow in that order, are basketball, bowling and baseball.

Back In Togs

Eddie Kotal

Viking stock took a jump with the announcement that "Eddie" Kotal, flashy halfback of the Green Bay Packers, will assist Coach Rasmussen with the 1928 Lawrence team. Kotal will help in the important work of

New Editor
Rexford S. Mitchell, new college publicity director, will have the editorship of the future Lawrence Alumnus bulletins, succeeding Dan Hardt, who edited the June alumnus. Mitchell is busy working on his first bulletin now, and it is expected that the magazine will come off the press in October.

Mrs. Grace Tartar, ex '30, is visiting Kappa Alpha Theta sisters this week. Bidwell Gage, Green Bay, was a visitor at the Beta Sigma Phi house last weekend.

speeding up the blue and white backfield.

"Eddie" formerly flashed through state and midwest football circles under the Lawrence banner, and after leaving school he was snapped up by the Packers. His sensational work in last Sunday's game against the Minneapolis Marines was instrumental in winning the game for the big Bay blues.

Freshman Class Totals Nearly 300 Students (Continued from Page 1)

sical program was given at recital hall at the conservatory of music.

On Friday the various sections met at their respective headquarters, after which they gathered at convocation. Dr. Wriston spoke on "A Choice of a Vocation", explaining that the value of an education lies in the freedom it gives to individual ambitions. He expressed the idea that "a change of ambition is to be expected," that "a choice of profession should be given much consideration" and room for change should be planned for. The Lawrence president suggested broad beginning courses, and hoped that in making choices

the students would go deeper than surface indications.

During the afternoon, conferences on the religious phase of college life, student publications, dramatics, and debate and oratory were held. During the evening, the first Friday frolic of the year was held in Ormsby dining room, with Miss Lucile Welty in charge of the program.

Saturday morning was devoted to sectional conferences. At 11 o'clock Dr. Wriston addressed the boys in the little theatre, while Dr. Landis, college physician, spoke to the girls in the chapel. During the afternoon conferences on fraternity and sorority life in college were held, after which Dr. Rufus Bagge conducted interested students through the college

museum. During the evening Sunset players, college dramatic organization, presented a program at the chapel.

At eight o'clock Monday morning, psychological placement examinations were given, after which sectional gatherings were held. At convocation, the final registration instructions were given out, and freshman week proper came to a close. The sectional meetings, which were held at intervals throughout the week, were in charge of Miss Anna Tarr, Professor W. E. McPheeters, Professor W. F. Rancy, A. C. Denny, Miss Katherine Wisner, Professor R. C. Mullenix, J. C. Millis, Miss Charlotte Lorenz, Professor Arthur Weston, and Professor G. C. Cast.
